

Experience The Magic Of

ANNA MARIA ISLAND

Paradise without an attitude...

One Visit...

Memories that last a lifetime.

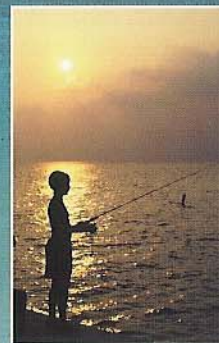

"Discover Anna Maria, the land time forgot. Anna Maria, a seven-mile sliver of sand, is what the Caribbean used to be." - The Cincinnati Enquirer

"Tranquil Florida...as it used to be, Just beaches, pelicans and palm trees"- London Daily Mail (London UK)

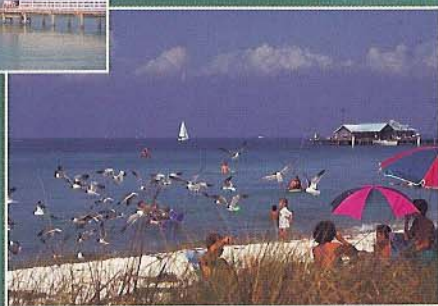

"The Key to fun in Florida doesn't involve big ears" - Minneapolis Star Tribune

"If you want a glimpse of Florida's past, go -- quickly -- to Anna Maria Island and take in just one glorious Gulf sunset." - The Palm Beach Post

Tranquil

Barefoot

CLIMATE

Annual Temperature Average - 74.8 degrees Fahrenheit
